Circular No. 413—*B. II, dated* 8*th June* 1940.

Regarding the correct noting of Policy Numbers and amounts of premia in the Insurance deduction statements attached to pay bills.

To

All Drawing Officers.

The Secretary, Mysore Government Life Insurance Department has intimated in his letter No. G1. 491, dated the 1st June 1940, that in the monthly statements of premiums deducted from pay bills, the policy numbers are noted either wrongly or not at all in most cases, that the amounts deducted for premia on account of policies in the Official and the Public Branches, are clubbed together in several cases and shown either in the Official Branch or the Public Branch column at random, without necessary details and that such omissions have led to much inconvenience, delay and misclassification in the extraction and compilation of accounts in his office. It is, therefore, requested that the particulars of the Policy Numbers and the amounts deducted towards each policy in each of the Branches may kindly be shown correctly and separately in the proper column of the deduction statements and the bills in future.

In cases of transfers, the departments or places from which the insured persons were transferred may invariably be noted in the deduction statement attached to the first pay bill of the new office and containing the claim on account of the pay of the transferred official.
